

MODEL FOR COMMUNICATION

(Regressive Reactions under Extreme Pressure)

Regression

- Desires respect for his work
- Intellectualizes: logic to solve
- Intellectualizes: to defend/distance
- Ignores her needs
- Invalidates her statements/demands
- Withdraws from her "stone wall"
- Rages, explodes, leaves

Key Insight:

Self-centered survivalism undermines any desire to be known.

Regression

- Expresses need positively
- Appeals repeatedly with more pressure
- Describes/attacks his inadequacy
- Tries to trigger guilt about abandoning her
- Applies pressure through others
- Rages, explodes, leaves
