

**TRUSTING GOD**  
**The Basis Of Personal Faith**  
**Gordon Clymer**  
Prague, Czech Republic, November 2004

Areas of Life Which Necessitate Trusting God:

1. Times of Danger and Fear
2. Times of Doubt and Uncertainty
3. Times of Defeat and Despair
4. Times of Decision and Direction
5. Times of Design and Creativity

Can you give a personal example in each of these five areas for a time when, in your own experience, you (have/have not) found your personal faith a source of strength by trusting God?
